Regional Study Overview Map

Nominations for 2010 ESRPP Step 1 (High-Level Analysis) Studies

- **List of nominated studies will be compiled from the email nominations**

Voting Guidelines (for Email Vote)

- **Each ESRPP Regional Participant (company) is alloted five (5) votes**
- **The five votes may be cast in any manner, e.g.:**
  1. **5 votes for five different studies, or**
  2. **All 5 votes for one study, or**
  3. **3 votes for one study and 2 votes for two other studies, etc.**
- **The nominated studies must meet the study selection criteria**
- **Votes should be returned by May 18, 2010 to ESRPP@spp.org.**

Eligible Voters (per Entergy OATT Attachment K, Section 13.1.5.3.1)

- **A transmission customer, an eligible customer, or an interconnection customer under either Regional Planning Party's transmission tariff (including Entergy's wholesale merchant function) may request a Regional Study under the applicable Regional Planning Party's transmission tariff, through the LTTIWG, or through the TWG.**
