Question:

EAI's Account 390 - General Plant Structures & Improvements increased by $32 million. What was the cause of that increase? Also address EMI increase.

Response:

The increase in EAI's Account 390 – General Plant Structures & Improvements was primarily due to the following building acquisitions and facility upgrades: ANO $19 million, EL Dorado Service Center $2.3 million, Hot Springs Service Center $2.6 million, Pine Bluff Service Center $2.1 million, and Searcy Service Center $1.5 million.

The increase in EMI's Account 390– General Plant Structures & Improvements of $3 million was primarily due to building upgrades related to the Jackson Call Center of $1.7 million and the Jackson Service Center Building A of $0.5 million.
