to the First Informal Set of Data Requests
of Requesting Party: Attachment O Customers

Filed: 8/18/17

Question No.: AOC 1-7 Part No.: Addendum:

Question:

EMI's Account 924 - Property Insurance had a large increase. What caused that increase?

Response:

The increase is primarily due to Entergy Mississippi resuming billing the monthly storm damage reserve as a result of the storm damage provision balance falling below $10 million per an agreement with the MPSC. Storm damage reserves are not included in the Attachment O calculations.
