

FERC 890 Study Metrics (Affiliates)

	Metric	2016 Third Quarter	2016 Fourth Quarter	2017 First Quarter	2017 Second Quarter	2017 Third Quarter
	Posting Date	5-Oct-16	13-Jan-17	16-Apr-17	10-Jul-17	1-Oct-17
1	Number of new Transmission Requests received during the quarter	0	1	0	0	0
2	Number of new system impact study agreements delivered to transmission customers	0	0	0	0	0
3	Number of new system impact study agreements delivered to the transmission customer more than 30 days after the transmission customer submitted its request	0	0	Late-under review	Late-under review	Late-under review
4	Average time (days) from request submittal to change in request status	na	8	Late -under review	Late -under review	Late -under review
5	Average time (days) from request submittal to delivery of system impact study agreement	na	na	na	na	na
6	Number of new system impact study agreements executed	0	0	0	0	0
7	Number of system impact studies completed	0	0	0	0	0
8	Number of system impact studies completed more than 60 days after receipt of executed system impact study agreement	0	0	0	0	0
9	Average time (days) from receipt of executed system impact study agreement to date when completed system impact study made available to the transmission customer	na	na	na	na	na
10	Average cost of system impact studies completed during the period	na	na	na	na	na
11	Number of requests withdrawn from the system impact study queue	0	0	0	0	0
12	Number of system impact studies withdrawn more than 60 days after receipt of executed system impact study agreement	0	0	0	0	0
13	Average time (days) from receipt of executed system impact study agreement to date when request was withdrawn from the system impact study queue	na	na	na	na	na
14	For all system impact studies completed more than 60 days after receipt of executed system impact study agreement, average number of days study was delayed due to transmission customer's actions (e.g., delays in providing needed data)	0	0	0	0	0
15	Number of new facilities study agreements delivered to transmission customers	0	0	0	0	0
16	Number of new facilities study agreements delivered to transmission customers more than 30 days after the completion of the system impact study	0	0	0	0	0
17	Average time (days) from completion of system impact study to delivery of facilities study agreement	na	na	na	na	na
18	Number of new facilities study agreements executed	0	0	0	0	0
19	Number of facilities studies completed	0	0	0	0	0
20	Number of facilities studies completed more than 60 days after receipt of executed facilities study agreement	0	0	0	0	0
21	Average time (days) from receipt of executed facilities study agreement to date when completed facilities study made available to the transmission customer	0	0	0	0	0
22	Average cost of facilities studies completed during the period	na	na	na	na	na
23	Average cost of recommended upgrades for facilities studies completed during the period	na	na	na	na	na
24	Number of requests withdrawn from the facilities study queue	0	0	0	0	0
25	Number of facilities studies withdrawn more than 60 days after receipt of executed facilities study agreement	0	0	0	0	0
26	Average time (days) from receipt of executed facilities study agreement to date when request was withdrawn from the facilities study queue	na	na	na	na	na
27	For all facilities studies completed more than 60 days after receipt of executed facilities study agreement, average number of days study was delayed due to transmission customer's actions (e.g., delays in providing needed data)	na	na	na	na	na
