Final Transmission Rates

In decision D-2016-046 dated March 23, 2016, the Régie de l'énergie approved the transmission rates, including ancillary services rates and transmission losses. They come into force on January 1, 2016.

The rate rider applicable to the Yearly Firm Point-to-Point Transmission Service from January, 1st to December, 31, 2016 is also approved in this decision.

Also, Section E of Attachment J of the *Hydro-Québec Open Access Transmission Tariff* ("OATT") shall come into force on January 1, 2016.

The OATT and the decision are available on the Régie de l'énergie's Internet site at the following address:
