TranServ staff has been made aware of an issue where tags/schedules with multiple segments using the same TSR are showing up in the ATC impacts multiple times. This issue is currently impacting the availability of non-firm hourly service on the WAUE-WAUW and WAUW-WAUE ATC paths.

TranServ staff has notified the software vendor of the issue and an update will be posted on MAPP OASIS once the issue has been resolved.

Please contact TranServ Support if you have any questions.
