

NTTG Stakeholders and Interested Parties:

The Northern Tier Transmission Group (NTTG) has scheduled a public meeting in Boise, Idaho on Tuesday, June 30th at the Boise Airport Conference Center. This will be a joint meeting of the Northern Tier Planning and Cost Allocation Committees to present the Draft Final Regional Transmission Plan, including an update on the cost allocation process and assessment of benefits. Webinar and conference line is available for those who cannot participate in person. See the attached meeting agenda for details.

NTTG will provide lunch for those participating in person. To ensure we have an accurate head count, please fill out the attached registration form and email to Amy Wachsicht at Amy.Wachsicht@ComprehensivePower.org indicating if you will be participating **by phone** or **in person** **by** close of business **Wednesday, June 24th** as food will be ordered according to responses.

Please forward this notice to any parties who may be interested in participating. Stakeholder input is important to Northern Tier and we hope that you will be able to participate. Feel free to contact me at the phone or email address below if you have any questions.

Thank you,
