

**NTTG STAKEHOLDERS AND INTERESTED PARTIES:** Please be reminded of the upcoming Public Stakeholder meeting on Wednesday, April 7, 2010 from 1:00 – 3:00pm (PPT). The purpose of this meeting is to prioritize the categorized list of economic study requests that have been submitted for consideration under the Northern Tier processes. Stakeholders are invited to discuss whether any of the economic study requests received by NTTG can be clustered and meaningfully studied as a group and to vote and select up to two sub-regional economic studies that NTTG will perform during its 2010-2011 planning cycle. Voting will occur according to classes, with each vote having equal weight and only one vote coming from each organization represented at the meeting.

In addition, the 2010 Q1 planning data that was submitted prior to the window closing on midnight, March 31, 2010, will be reviewed and a discussion will be conducted to initiate the development of Northern Tier 2010-2011 study plan assumptions, criteria and methodologies.

Meeting Materials will be posted on the NTTG website prior to the meeting date.
