NOTES
Transmission Planning Stakeholder Meeting
Western Area Power Administration Desert Southwest Region
Western's DSW Regional Office
615 S. 43rd Avenue, Phoenix, AZ, 85009
December 14, 2010
9:00 a.m. to 11:00 p.m. MST

1. Welcome and Introductions of Attendees
    - See attendee list for a list of meeting attendees
2. Planning Process
    - An overview of Western's planning process was given. Western was asked about coordination with New Mexico utilities. Western coordinates with New Mexico utilities through SWAT
3. Interconnection Requests
    - Western's interconnection requests were discussed.
4. Western's TIP
    - The results from the SMRT study were presented.
5. Comments/questions
    - Western was asked to discuss MOD 001 compliance. Western is still reviewing how to best address MOD 001.
    - TBU representation was requested at future meetings.
6. Next meeting
    - Western's next Attachment P meeting will be held June 7, 2011.

- There were no Action Items arising from the meeting
