Subject: Notice - Responses to Information Requests -- WAPA-UGP's 2021 Annual Update
Date: Friday, October 30, 2020 10:07:37 PM

Greetings,

Western Area Power Administration (WAPA) Upper Great Plains Region (WAPA-UGP) has posted responses to the Information Requests received on its proposed 2021 Annual Update to its Transmission and Ancillary Service rates (as originally noticed on 9/15/2020) on WAPA-UGP's OASIS <http://www.oasis.oati.com/wapa/index.html> under the "Rates Calculation" subfolder in the "Rates" folder, or directly at the following URL:
<http://www.oasis.oati.com/WAPA/WAPAdocs/UGP-Responses-to-Information-Requests-2021-0101-Rates.pdf> (PDF).

WAPA-UGP will also post the responses to the SPP Member Related Postings page ("Western Area Power Administration UGP Information" link) on SPP's OASIS at the following URL:
<http://opsportal.spp.org/OASIS/Directory/Member%20Related%20Postings>

As noted in its responses, WAPA-UGP has made associated revisions to its rate calculations, and therefore WAPA-UGP will be posting **REVISED** 2021 WAPA-UGP rate calculations (**Effective 1/1/2021**) on WAPA-UGP's OASIS in the near future. I will provide notice via this SPP Exploder List "Formula Rate Posting Information Notification" (frpin@spplist.spp.org) when the updates are posted. WAPA-UGP has posted additional source cost data information, as noted in its responses, for its 2021 Annual Update on its OASIS page under the "Rates" folder, "Rates Calculations" subfolder, "Cost Data Sources – 1/1/2021 Update" sub-folder.

Please share this Notice with any other interested parties within your respective organizations. If you have any questions, please contact me or Sara Baker at (406) 255-2924 (sbaker@wapa.gov).

Thanks..

Steve.. (406) 670-7436 (cell)
