

MISO AFC/ATC Methodology Contact

For any questions about MISO's AFC methodology or data requests described in NAESB Standard WEQ-023, please send an email to AFCQuestions@misoenergy.org. MISO shall respond to questions related to its methodology, including but not limited to derivation of values, underlying assumptions or data inputs within one week of the receipt of request. MISO will respond to data requests within forty-five (45) calendar days after receiving the written request.
