**Subject:** 20A ATCID Implementation Document

In accordance with NERC Standard MOD-001 Available Transmission System Capability Requirement R4, this email serves as notification by the Schedule 20A Service Providers of the revised Available Transfer Capability Implementation Document (ATCID). This document dated August 27, 2012 reflects a formatting correction and other miscellaneous ministerial modifications posted in September 2011 in Version 1.1. It has been discovered that the September 2011 notice was inadvertently not sent.
